

STAGING ESTIMATOR

Delivery and Installation is required. Delivery not included in fee.

Stages come in 4'x4' Panels and 1' to 2' in height.

Skirting and Steps are an additional fee.

Please use the estimator below to determine how many panels you will need, based on the size you desire. (For Example: An 8'x12' Stage will require 6 panels.)

There may be an additional delivery fee for stages larger than 16'x16'.
